The Commonwealth of Massachusetts

OFFICE OF THE SECRETARY, Boston, Jan. 31, 1934.

To the Honorable Senate and the House of Representatives:

I have the honor to submit herewith in compliance with General Laws, (Tercentenary Edition) chapter 54, section 133, a report of the number of assessed polls and the number of registered voters in each city and town at the date of the last city and town elections, and the total number of persons who voted at each such election in every city and town, and in every voting precinct therein, and the total number of persons who voted at the Special State Election in every city and town, and the total number of votes received by each candidate for nomination and for election for a State office in the year 1933, together with other information relating to elections.

In further compliance with the law above quoted, I submit the following recommendations:

1. Article XLVIII of the Amendments to the Constitution, General Provisions, III, Form of Ballot, provides for the form in which questions relating to amendment to the Constitution or laws submitted to the people shall be printed on the ballot. Under the present law the Attorney-General has not authority to condense these questions. It is my belief that such questions should be more briefly expressed. I therefore recommend an amendment to that part of the Constitution above mentioned by striking out in the first paragraph the words "a description to be determined by the attorney-general" and inserting in place thereof the words:—its title,—by striking out in the second paragraph the word "description" and inserting in place thereof the word:—title,—and by striking out in the third paragraph the word "description" and inserting in place thereof the word:—title.

2. I respectfully recommend an amendment of the General Laws to provide penalizing slander by radio.

3. I respectfully recommend an amendment of the General Laws to provide for the removal of political posters within a period of thirty days after a primary or election.

4. I respectfully recommend amendments of the General Laws, now requiring that questions be placed on ballots in certain towns for the granting of licenses for sale of beverages, so that same may correspond with the provisions of chapter 376 of the Acts of 1933.

5. I respectfully recommend an amendment of chapter 53 of the General Laws, sections 2 and 28, for the purpose of clarifying said sections and to make them subject to other correlative sections of said chapter.

RETURNS UNDER THE "CORRUPT PRACTICES" LAW

Since the last report special elections have been held to fill vacancies in the office of Senator in the following districts: Second Middlesex District (June 13, 1933), and in the First Essex District (December 12, 1933), and for Representative in the General Court in the Thirteenth Middlesex District (March 21, 1933).

Under the provisions of General Laws, (Tercentenary Edition) chapter 55, nomination expense returns were received from twenty-three candidates, seven-

teen of whom reported no receipts. Total nomination receipts were reported as \$211.50, and expenditures as \$2,667.08.

Election expense returns were received from five candidates, three of whom reported no receipts. The total receipts for election were reported as \$241.00, and total expenditures \$987.38.

Respectfully submitted,

CITY AND TOWN ELECTIONS
IN THE YEAR 1933

NUMBER OF ASSESSED POLLS, REGISTERED VOTERS AND PERSONS WHO VOTED AT ELECTIONS

Apparent inconsistencies in the report may be accounted for, in part, as follows:

First.—The number of assessed male polls includes aliens and other persons who are not qualified to become registered voters.

Second.—The number of registered voters includes persons who are exempt from taxation and therefore are not included in the number of assessed polls.

Third.—Many names of voters on the list at the Special State election are, by reason of change of residence, erased from the list of voters at municipal elections.

The Commonwealth of Massachusetts

OFFICE OF THE SECRETARY, BOSTON, Jan. 31, 1935.

To the Honorable Senate and the House of Representatives:

I have the honor to submit herewith, in compliance with General Laws (Tercentenary Edition), chapter 54, section 133, a report of the number of assessed polls, the number of registered voters at the date of the last biennial State election and city and town elections, and the total number of persons who voted at each such election in every city and town, and in every voting precinct therein, together with the number of votes received by each candidate for nomination and for election for a State office, and for election for a State committee.

In further compliance with the law above quoted, I submit the following recommendations:

1. Under the provisions of section 5 of chapter 4 of the General Laws a return is required to be made to the State Secretary upon the taking effect on its acceptance of any act and resolve. In cases where municipal corporations operate under any such act, and at some later date by vote determine that such act shall no longer apply in said municipality, the law makes no provision for a report of such action to the Secretary's office. This recommendation is therefore made in order that the records may be as complete as possible.

2. The presidential primary having been eliminated as a result of a change in the General Laws, and the party primary having taken its place, a perfecting change in sections 26 and 27 of chapter 51 of the General Laws is necessary, in view of the fact that said sections were not amended by chapter 310 of the Acts of 1932, which was accepted by the people at the state election on November 8, 1932.

3. An amendment to section 44 of chapter 53 of the General Laws in reference to the number of signatures required on certain nomination papers is made for the purpose of clarifying said section, in order to eliminate disputes as to the number of signatures required thereon.

4. In the passage of chapter 254 of the Acts of 1933, which changed the date of assessment of taxes and the listing of residents from April 1 to January 1, section 135 of chapter 54 was omitted. I therefore recommend that this section be changed so as to be in agreement with said chapter.

5. The provisions of section 137 of chapter 54 of the General Laws in regard to the duty of aldermen to declare the results of elections do not apply to state officers. I therefore recommend that said section be amended so as to eliminate that provision.

RETURNS UNDER THE "CORRUPT PRACTICES" LAW.

In compliance with General Laws, Tercentenary Edition, chapter 55, nomination expense returns were received from 1502 candidates, of which 47 appeared not to be in conformity with the law, and were therefore transmitted to the Attorney General according to law, together with a list of the names and addresses of 164 candidates who failed to file a return.

There were 1272 candidates who reported no receipts. The total receipts for nomination as shown by returns filed were \$26,428.71. There were 377 returns of no expenses; 9 candidates reported receipts from political committees of \$1,275.60 and 42 candidates reported payments to political committees of \$9,304.14, an increase of \$2,614.64 as compared with 1932. The total expenditures for nomination were \$160,824.88, a decrease of \$54,759.71 as compared with 1932.

Election expense returns were received from 774 candidates, of which 10 appeared not to be in conformity with the law, and were therefore transmitted to the Attorney General according to law, together with a list of the names and addresses of 90 candidates who failed to file a return.

There were 567 candidates who reported no receipts. The total receipts for election as shown by returns filed were \$62,483.17, and 44 candidates reported receipts from political committees amounting to \$5,153.28.

There were 188 returns of no expenses and 189 payments to political committees amounting to \$44,500.80, an increase of \$30,444.57 as compared with 1932.

The total expenditures for election were \$147,142.64, an increase of \$23,790.24 as compared with 1932.

The total receipts of candidates for both nomination and election were \$88,911.88, and the total amount received from political committees was \$6,428.88. The total expenditures were \$307,967.52, a decrease of \$30,969.47 as compared with 1932, and the total amount paid to political committees was \$53,804.94, an increase of \$33,059.21 as compared with 1932.

There were also received from the treasurers of political committees 720 returns, of which 434 were certificates; 83 stating that the aggregate receipts and disbursements did not exceed \$20.00 and 351 reporting no receipts and no disbursements. Twenty-seven of the returns, of which 12 were certificates, were transmitted to the Attorney General as apparently in violation of the law.

There were also submitted to the Attorney General a list of 540 committees that had filed their organization but had not filed statements of receipts and expenditures or a statement to the effect that they had not received or expended anything of value.

The net receipts were	\$401,773.65
(A decrease of \$101,838.57 over 1932)	
The net expenditures or disbursements were	391,909.91
(A decrease of \$91,785.52 over 1932)	
The total unexpended balance was	9,863.74
The total liabilities were	\$157,025.82

The gross amount returned by committees as receipts was \$439,285.19 and as disbursements, \$429,421.45. Of these amounts \$37,511.54 was returned both as receipts and disbursements by more than one committee.

A special primary was held February 13, 1934, to fill a vacancy in the office of Senator in the Fifth Essex District, and a special election to fill said vacancy was held February 27, 1934.

Under the provisions of General Laws, Tercentenary Edition, chapter 55, nomination expense returns were received from ten candidates who reported total receipts amounting to \$492.18, and total expenditures, \$1,240.88; and election expense returns from two candidates who reported total receipts amounting to \$200, and total expenditures, \$454.25.

Respectfully submitted,

FREDERIC W. COOK,
Secretary.

AT THE
STATE, CITY AND TOWN ELECTIONS
IN THE YEAR 1934

NUMBER OF ASSESSED POLLS, REGISTERED VOTERS AND PERSONS WHO VOTED AT ELECTIONS

Apparent inconsistencies in the report may be accounted for, in part, as follows:
First.—The number of assessed male polls includes aliens and other persons who are not qualified to become registered voters.

Second.—The number of registered voters includes persons who are exempt from taxation and therefore are not included in the number of assessed polls.

Third.—Many names of voters on the list at the State election are, by reason of change of residence, erased from the list of voters at municipal elections.

Votes on Question No. 1 (Referendum) — "Law Submitted Upon Referendum After Passage."

Shall a law described as follows: —

This law amends General Laws, chapter 131, as previously amended, by repealing section 105A thereof and adding thereto three new sections, 105B, 105C, and 114A.

Section 105B provides that whoever uses any trap or other device for capture of fur bearing animals, which is not designed to kill such animal at once or to take it unhurt and which is likely to cause continued suffering to an animal caught therein, shall be fined fifty dollars, but traps or other devices for protection of property, set not more than fifty yards from any building, cultivated plot, or enclosures used for rearing poultry or game birds, to the use of which the presence of vermin may be detrimental, are excluded from the application of this section.

Section 105C provides for the submission to the voters at a municipal election in any city or town upon petition, of the question of whether the operation of section 105B shall be suspended or if it has been already suspended, of the question whether it shall again be operative in such city or town.

Section 114A provides that the Commissioner of Conservation may suspend the operation of section 105B for a period not exceeding thirty days within any specified territory under the control of his department.

The law also provides for the submission, by the selectmen to the voters at a special town meeting in the current year, upon petition, of the question as to whether the provisions of section 105B shall be suspended in any town; and which was approved by both branches of the General Court by vote not recorded, be approved?
